Larry D. Rosen, Ph.D.

Professor and Past Chair   ph: 310.243.3477
Psychology Department   fax: 619.342.1699
California State University   e-mail: lrosen@csudh.edu
Carson, CA 90747   www.DrLarryRosen.com

EDUCATION

Ph.D.   Experimental Psychology
        University of California, San Diego, 1975

B.A.   Mathematics
        University of California, Los Angeles, 1971
        Summa Cum Laude - Phi Beta Kappa

CURRENT POSITIONS

1976 - Present
Professor
California State University, Dominguez Hills
   Teach global impact of technology; elementary, advanced, and multivariate statistics;
   research methods; program evaluation; measurement; cognition; sensation and
   perception; child development; behavior modification; and cultural pluralism.
   Research Interests: the impact of technology, online dating, video games, online
   communication and social networking through virtual communities such as MySpace.

2008 – Present
Advisory Board Member, Pearson Education National Curriculum Advisory Board
   Advises on development of new curriculum using methods appropriate to the Net
   Generation. Meets three times a year and consults on curriculum materials, both paper
   and computer-based.

2009 – Present
Blogger – *Psychology Today*
Write twice monthly blog pieces which are housed at the *Psychology Today* website.

2011 – 2012
National Spokesperson
Activision-Blizzard
   Gave interviews and wrote commentaries on new video game: Skylanders: Spyro's
   Adventures.

2005 – Present
Advisory Board Member, National Effective Parenting Initiative Advisory Board
    Grassroots initiative to increase the likelihood that every child in America is raised
     effectively and humanely by parents who have received the best possible parenting
    education.

1984 - Present
Founder, Byte Back, LLC; Senior Partner, RCCConsultingGroup
    Statistics and evaluation consultation. Expert in the psychological impact of
    technology. Consultation on the successful introduction of technology and overcoming
    technological fears; assist in technological selection and training; lecture internationally;
    video-conferencing; research a variety of technology-related topics including
    technophobia, technological adoption, and attitudes toward the Information
    Superhighway; author manuscripts, books and professional journal articles; and media
    interviews for print, radio and television.

1978 – Present
Statistical Consultant
        Provide statistical and research consultation to professionals and graduate students
        completing a Masters degree or doctoral degree. Includes consultation on proposal
        writing, instrument development, statistic selection, data entry and analysis, data
        interpretation and manuscript editing.

1992 - Present
President/Board Member
Board of Directors, S.E.E. Center for the Advancement of Deaf Children
    The S.E.E. Center assists deaf children and their families to live a full and complete life.
    As a Board Member and as past board President (1994-1997), I have worked on a
    variety of fund raising programs and have disseminated information about early
    detection of deafness to Pediatricians in Southern California.

2009 – Present
Member, Advisory Board
Cyberpsychology: Journal of Psychosocial Research on Cyberspace
    Responsible for reviewing journal submissions and advising editor on special issues

1995-Present
Member, Consulting Board
Computers in Human Behavior
    As a member of the consulting board I am responsible for reviewing journal
    submissions and advising the editor on possible special issues and invited authors.

1995-Present
Columnist
The National Psychologist

Write a column that deals with technological issues facing the mental health practitioner in a bimonthly publication with a circulation of 55,000.

PAST POSITIONS

2008 – 2009
Advisory Board Member, Internet Safety Technical Task Force Research Advisory Board for the Berkman Center at Harvard University
Advised on research concerning Internet safety for national task force seeking to develop solutions to keep children and adolescents safe online.

2000 - 2004
Program Evaluator
Prop 10/First 5 Project
Center for the Improvement of Child Caring
Evaluator for grant to provide parent training programs to poverty-level parents in the Los Angeles area. Contributions include proposal development, instrument development, data entry, statistical analyses, and report writing.

1999 - 2000
Project Co-Director
Comprehensive Parent Involvement and Effective Parenting Project
The Annenberg Foundation
Grant project that assesses current parent-school involvement in a cluster of 26 schools and create a model plan to involve parents for the entire Los Angeles School District. Responsible for school interviews, data analysis, report writing.

1997-1999
Consulting Editor
Behavior OnLine
Moderate an online discussion on all aspects of computing and mental health for an active and widely respected World Wide Web site for over 3,000 mental health professionals.

1996-1999
Member, Advisory Board
CentraLink - Behavioral Healthcare Tomorrow
As a member of the advisory board I help the program committee plan for a cutting-edge annual conference entitled Behavioral Healthcare Tomorrow.

1988 - 1992
Department Chair
California State University, Dominguez Hills
Responsible for 15 full-time and 12 part-time faculty including all scheduling, hiring, budgeting, office and laboratory staffing, program review, outcome assessment and personnel reviews.

1986 - 1987
Evaluation Consultant
Los Angeles County Justice System Subvention Program
    Developed and implemented an evaluation plan for the Los Angeles County Justice
    System Subvention Program to evaluate 55 programs in the Los Angeles County area.

1985 - 1988
Project Director
California State University, Dominguez Hills
    Directed a grant-funded program from the U.S. Department of Education's FIPSE
    program entitled: "A Model Computerphobia Reduction Program."

1979 - 1982
Staff Psychologist/Evaluation Consultant
Center for the Improvement of Child Caring, Studio City, California
    Aided in the evaluation, planning, implementation and reporting of federally-funded
    projects on parent training and childrearing.

1978 – 1985
Adjunct Professor
California School of Professional Psychology, Los Angeles, California
    Taught courses in statistics (elementary, advanced and multivariate), evaluation
    and computer data analysis to clinical psychology graduate students.

1975 - 1976
Research Associate
RMC Research Corporation, Mountain View, CA
    Participated in study of ESEA Title I that involved site visits to State and Local
    Educational agencies.

HONORS AND RECOGNITIONS

**CSU Dominguez Hills, Excellence in Research, Scholarship, and Creative Activity
Award, 2009

Nominee, CSU Dominguez Hills, Excellence in Research, Scholarship, and Creative
Activity Award, 2008

**CSU Dominguez Hills Outstanding Professor Award, 1998

Nominee, CSU Dominguez Hills Outstanding Professor Award, 1997

**Lyle Gibson Distinguished Teacher Award, CSU Dominguez Hills, 1997

Nominee, CSU Dominguez Hills Outstanding Professor Award, 1995

Nominee, Lyle Gibson Distinguished Teacher Award, CSU Dominguez Hills, 1995

**CSU Dominguez Hills Outstanding Professor Award, 1988

Nominee for California State University Trustees Outstanding Professor Award 1988

**Meritorious Performance and Professional Promise Award, 1986, 1989, 1992

Nominee, Lyle Gibson Distinguished Teacher Award, CSU Dominguez Hills, 1989

Nominee, Lyle Gibson Distinguished Teacher Award, CSU Dominguez Hills, 1986

**Phi Beta Kappa, 1971
